Available in all colors.

Luxe

High Gloss

Anti-bacterial
treatment

The LUXE high gloss collection is the result of applying the latest generation of materials with the most advanced technology in lacquered surfaces.

The LUXE surface provides a High Gloss finish and the highest scratch resistance in the industry, paired with a clean and spotless mirror effect.

The LUXE collection incorporates an attractive range of solid colors, wood grains, textiles, metallic and special designs. These designs can be applied in kitchen, bathroom and home furniture, as well as in interior design and commercial projects, achieving a luxurious modern look.

treatment

The SYNCRON collection is the result of our vertical integration in manufacturing and control of every aspect in the thermo-fused melamine board production.

The SYNCRON surface provides realistic texture designs with several options for registered finishes, meaning a complete match between texture and design.

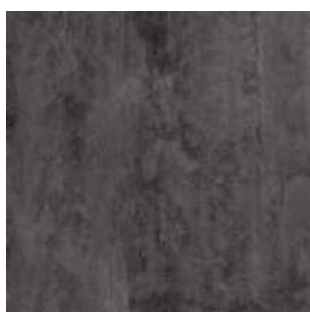

The SYNCRON collection offers a deep and complete range of wood grains, stone, marble, textiles, leather, concrete and oxide finishes that provide a natural and organic feel to any furniture element or commercial project.
